

RiEX Children's Garden Family Picnic

455 Main Street

July 27th, 2012

On a beautiful Friday night, we gathered together to enjoy the bounty of our garden with a family picnic! We greatly appreciated the extra effort from families to provide delicious food for our picnic. Here we see Nina watching Abby carefully adding fresh herbs to enjoy on her salad!

We delighted in seeing what was ready to eat and exploring the continued growth in the garden. We picked a ripe cucumber and Marcus especially enjoyed tasting the delicious results of our hard work.

Children were invited to sketch elements of the garden that they were drawn to, such as a favorite flower or vegetable.

Mariam and Oliver work collaboratively on their drawings, and Justin and Toby intently sketch favorite treasures from the garden. Abby began to construct a sign for the garden, providing an address and map.

We invite more artistic representations of the garden, as well as ideas for a sign. Please email us children's work and ideas at riex@explorers-ri.org.

Please continue to water and watch the growth of our garden.

We are excited to see what changes the end of summer and beginning of fall will bring.

Stay tuned for information on future events!

Visit us at explorers-ri.org for more information.
